ORDER:

In the reference read above, the Engineer-in-Chief(R&B) State Roads has stated that Gundlakunta – Chatram Road is an important Major district road in Jammamadugu Constituency. The road connects one important SH with NH-18. There are many number of agriculturally potential villages like Gundlakunta, Bodithippanipadu, Paluru, Peddamadium, Suddapalli & Chatram enroute. Due to the large scale plying of commercial vehicles in the last five years the road was heavily damaged and sunken at many places. The existing road in the proposed stretch is of a width of 5.5m only. But the road from Km 13/6 to 15/9 was already improved to double lane. In view of the importance of the road the stretch from Km 12/2 to 13/6 is also proposed to widen to double lane. The existing road crust is WBM 250 to 260mm. The traffic intensity on this road is 550 CVPD and CBR value of sub grade soil is 4%. For the above traffic intensity and CBR value, the thickness of the pavement required is 590mm. So the existing crust 250-260 mm is inadequate to cope up the present traffic intensity. The balance crust required is about 330mm in central carriageway portion. In the widening portion crust required is 590mm.

2. The Engineer in Chief (R&B) State Roads, Hyderabad has further stated that B. Jangalapalli to Kondasunkesula Road is an important ZP taken over road in Jammalamadugu Constituency which connects important villages namely: B.jangalapalli, Kondasunkesula. The total length of the road is 10 Kms and the stretch proposed for improvement is 9.85. The proposed road is an important road in Kadapa District, which connects agriculturally potential villages (2nos) enroute. The existing road is an earthen road with many undulations. Keeping in view of the condition and importance of the road it is proposed for improvements on priority.

3. The Engineer-in-Chief (R&B) State Roads, Hyderabad, while submitting the proposal for the subject work has certified that the Stage-1 approval is not required as detailed investigation completed and design are finalized. No land acquisition and shifting of utilities are required for taking up the two subject works without interruption.

4. Government after careful examination of the proposal of Engineer-in-Chief(R&B) State Roads, Hyderabad, hereby accord administrative sanction for an amount of Rs.735.00 Lakhs (Rupees Seven hundred and thirty five Lakhs only) for the works (1) "Improvement to Road from Km.12/2 to – 13/6 of Gundlakunta – Chatram road for Rs.155.00 Lakhs, (2) Improvements to road from Km.0/0 to 10/0 (working reach of Km 0/150 to 10/0) of B. jangalapalli to Kondasunkesula Road for Rs.580.00 Lakhs in YSR District " under Plan (MDR).
